📍 S.R. No. 53, Raj Rajeshwari Estate, Plot No. 5/B-1 & 5/B-2, Kansumara,  
Jamnagar, Gujarat 361006

# ABOUT US

Paani Precisions possess in-depth expertise in manufacturing an array of unmatched Precision Brass Components, Brass Fasteners, Brass Insert in Range, Brass Hardware Parts like Brass Mirror Cap in Range, Brass Glass Holder, Brass Hinges, Brass Electrical Accessories, Brass Lamp Holder Accessories, Brass Plug Pin, Socket, Brass Terminal, Brass Terminal Blocks, Brass Lighting Decorative Accessories, Brass Agriculture Parts, Brass Table Flag Parts, and Brass Gas Valve as per the customer's design & specifications. Total control over the quality of the products right from the raw materials to the finished products. We have a team of dedicated managers, engineers, toolmakers & workmen capable to serve your needs. Our commitment to quality, productivity & timely delivery schedule has earned us loyal customers. We strongly believe in maintaining perfection in quality and standard, which leads to achieving excellence in our profession.

## Our Mission

We are in the business of manufacturing precision brass components. We want to be a niche catering to specific needs of customers in industries such as Electrical & Electronics industries. We want to form partnerships with customers, suppliers, and employees for satisfying our customers' needs. We will conduct our affairs ethically at all times. We at Paani Precisions achieved several milestones with this attitude and belief.

## Industries We Serve

- ✔ Electrical
- ✔ Lighting
- ✔ Electronics
- ✔ Telecommunication

5 years experience in Brass Components Manufacturing.

Customized manufacturing as per customer drawing & specification.

Competitive Pricing, Excellent packing & fast delivery.

International quality standard with provided quality report.

ISO Certified & Well equipped infrastructure.

Optimize utilization of raw material and non-renewable resources.

# PRODUCT FEATURES

High strength

Low Turning  
Torque

Rust Resistant

Optimum Quality

Easy Installation

Compact Design

Water Resistance

High Mechanical  
Strength

Impact Resistant

Accurate  
dimensions

Corrosion  
Resistance

Flawless finish

Suitable for high  
pressure  
application

High  
Temperature  
tolerance

High tensile  
strength

Sturdiness

# Brass Electrical Components

We specialize in manufacturing premium-quality brass electrical components tailored to meet diverse industry needs. With a commitment to precision engineering, durability, and reliability, our products are crafted using state-of-the-art technology and rigorous quality standards. Whether it's connectors, terminals, or custom brass solutions, we deliver excellence that powers your projects with confidence. Trust us for unmatched craftsmanship and on-time delivery, every time.

**Material :**

- Brass Extruded or Brass Casted.

**Available Size :**

- As Per Customer Requirement.

**Application :**

- Air / Water / Oil / Fuel.

**Special Features :**

- Thread as per international Go and Not Go Gauge Standard.

**Finish & Coating :**

- Natural, Nickel Plated, Tin Plated or any coating as per customer specification.

**Material Grades:**

- CuZn39Pb3
- CW614N
- CW602N
- CZ132
- C35330

**Threads:**

- ISO Metric (MM),
- UTS,
- UNC,
- UNEF,
- NPT,
- BSP,
- BSPT,
- BSW,
- BSF,
- BA

# Brass Switch Parts

We are dedicated to manufacturing high-quality brass switch parts designed for precision, durability, and superior performance. Our products are crafted to meet the highest standards, ensuring seamless functionality for electrical applications. With cutting-edge technology and a commitment to excellence, we provide reliable solutions that empower your electrical systems. Trust us for robust, long-lasting, and customizable brass switch components tailored to your needs.

# Switch Sheet Metal Components

We specialize in manufacturing precision-engineered brass switch sheet metal components that deliver exceptional quality and durability. Our components are crafted to meet the demanding requirements of modern electrical systems, ensuring reliability and long-lasting performance. With advanced manufacturing processes and a commitment to excellence, we provide customized solutions that align with your specific needs. Choose us for superior craftsmanship and trusted partnerships.

# MCCB Metal Components

We are a trusted manufacturer of brass MCCB metal components, delivering precision-engineered solutions for molded case circuit breakers. Designed for durability and optimal performance, our components meet the stringent demands of modern electrical systems. With advanced manufacturing processes and a focus on quality, we ensure reliable, long-lasting, and customized solutions to power your projects with confidence

# Transformer Part

We specialize in manufacturing high-quality brass transfer parts, designed for precision and durability in various industrial applications. With a focus on superior craftsmanship and advanced technology, our transfer parts ensure seamless performance and long-lasting reliability. Trust us for customized solutions that meet your exact specifications and deliver excellence in every detail.
